**Subject: Invitation for Mandatory Testing Consultative Forum (MATCOF) for ER on 'Equipment used for Point to Point, Point to Multipoint Microwave Links in Fixed Radio Systems'**

TEC is implementing Mandatory Testing & Certification of Telecommunication Equipment as notified vide Gazette Notification No. G.S.R. 1131(E) dated 5<sup>th</sup> September, 2017 for which Essential Requirements (ER) documents are being formulated.

The Mandatory Testing Consultative Forum (MATCOF) to consider the draft ER on '**Equipment used for Point to Point, Point to Multipoint Microwave Links in Fixed Radio Systems'** is planned to be held as per the following schedule:

**Date:**           **March 7, 2018**  
**Time:**           **10:30 am onwards**  
**Venue:**         **SAMWAD Committee Room, Third Floor, Telecommunication Engineering Centre, Gate no. 5, Khurshid Lal Bhawan, Janpath, New Delhi-110001**

The draft of the ER document to be discussed is also enclosed herewith. The stakeholders are encouraged to send their comments on the draft ER beforehand, so that same may be considered during the discussions. As the discussion on the draft ER document will be fairly technical in nature, appropriate representation from the technical experts of different stakeholders is advised.

The stakeholders who registered for the MATCOF under this category or their technical experts who may attend on their behalf (not exceeding 2 from each organization) are invited to participate in the MATCOF. It is advised to confirm about your participation in the MATCOF via email along with the details of the participants so that necessary arrangements can be made for your facilitation.

The comments on the draft ER and confirmation to participate in the MATCOF may be sent to [manishkmr.singh45@gov.in](mailto:manishkmr.singh45@gov.in) with a copy to [adetr.tec@gov.in](mailto:adetr.tec@gov.in) latest by March 5, 2018.
