# Operator's viewpoint

*Ubiquitous  
coverage*

*Seamless Inter-  
working TN & NTN*

*Large UE  
Populations to  
support*

*Similar user  
experience in NTN  
areas*

# Enablement

*Gateway  
Locations*

*Gateways spectrum –  
Q & V bands*

*Uniformity of  
spectrum at India  
level*

*Using MNO  
spectrum for  
D2C*

*Same/Different  
PLMNs*

*Interference  
handling*
