

Create an
ITU User
Account for attending FG-AINN
Meeting
(Non-member registration)

ITU User Account

Free of charge login credentials allowing you to [register for ITU events](#), subscribe to [ITU mailing lists](#), access the [ITU electronic Bookshop](#), use certain applications of ITU sectors.

Affiliation with ITU members

Your affiliation with an ITU Member will need to be validated by the Focal Point of the specific Member.

TIES Access Rights

ITU Members can request TIES access rights on their ITU User Account to access certain ITU resources, such as ITU documentation. The Focal Point also needs to validate your request for TIES access rights. TIES Access rights.

You can request TIES access if your organization is an ITU Member

1 ITU User Account Management Page

To create your ITU User Account, [Go to the ITU User Account Management page](#) and click on the option to create one.

Already have an ITU User Account?

If you already have an ITU User Account and you are logging in for the first time to the New ITU User Management platform, you will be required to reset your password. To do so, click on “Forgot password?”

A screenshot of a login form. It features two input fields: 'Email *' and 'Password *'. Below the password field is a link for 'Forgot password?'. A blue 'Log in' button is positioned below the fields. A blue arrow points from the 'Log in' button to a callout box below. At the bottom of the form, there is a link: 'No ITU Account yet? Click here to create one'.

[Click here to create one](#)

2 Your Personal Details

Provide your **contact information** and define your **password**.

The ITU User Account can only be linked to one specific email address and one human being.

You must not use a pseudonym or an alias for your account.

Your password must contain:

- ✓ At least 8 characters
- ✓ An uppercase letter
- ✓ A lowercase letter
- ✓ A number
- ✓ A special symbol

Email *	
<input type="text" value="john.doe@company.com"/> ✓	
First name *	Last name *
<input type="text" value="John"/> ✓	<input type="text" value="Doe"/> ✓
Password *	Confirm password *
<input type="password" value="....."/>	<input type="password" value="....."/> 
Title	Gender *
<input type="text" value="Mr."/> ▼	<input type="text" value="Male"/> ▼
Job title *	Professional Role *
<input type="text" value="General Manager"/>	<input type="text" value="Senior Management"/> ▼

4 Email Verification

A validation code will be sent to your inbox.

a) Enter the validation code in the indicated box and click on [Verify code](#).

b) Click on [OK](#) to complete the process.

a)

The screenshot shows a web form titled "Verify email". At the top, it says "Enter the code sent to your email" with a blurred area below it. Below that is a text input field containing the placeholder text "<enter the validation code here>". Underneath the input field is a blue button labeled "Verify code". At the bottom of the form, there is a link that says "Didn't get the code? Click Here".

ITU member affiliation

If you have selected an ITU member entity, your affiliation to this entity is required to be validated by the respective Focal Point (see step No. 5).

5 Affiliation Approval

This step applies only to [ITU Member organizations](#).

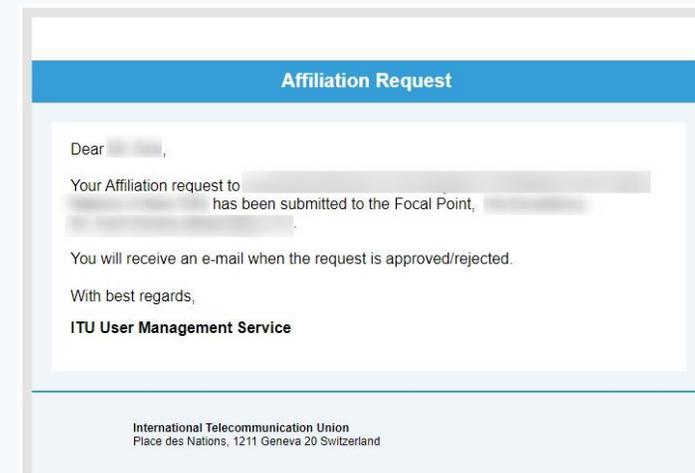

An affiliation request will be sent to the entity's Focal Point for approval.

a) You will receive emails with the status of your affiliation request.

Registering to an ITU event?

If you wish to register to an ITU event representing an ITU member organization, your affiliation must be approved before you start the registration process.
