No. 4-9/2021-MRA/TEC (Part file)

Dated: 06.10.2023

**AMENDMENT No.-1**

Kindly refer to the **TEC SCHEME FOR DESIGNATING DOMESTIC CONFORMITY ASSESSMENT BODIES AND CERTIFICATION BODIES, TEC 04019:2023**, following amendments are hereby made: -

Clause No.	Existing Definition of Accreditation Body	Amended Definition of Accreditation Body
3.3	<i>Accreditation Body</i> means an authority to conduct and administer an accreditation system that grants accreditation to conformity assessment bodies or certification bodies for conformity assessment of telecommunication equipment. Here it is any Indian accreditation body, which shall be a full member of International Laboratory Accreditation Co- operation (ILAC), like National Accreditation Board for Testing and Calibration Laboratories (NABL) and National Accreditation Board for Certification Bodies (NABCB) etc.	<i>Accreditation Body</i> means an authority to conduct and administer an accreditation system that grants accreditation to conformity assessment bodies or certification bodies for conformity assessment of telecommunication equipment. Here it is any Indian <b>national</b> accreditation body, which shall be a full member of International Laboratory Accreditation Co- operation (ILAC), like National Accreditation Board for Testing and Calibration Laboratories (NABL) and National Accreditation Board for Certification Bodies (NABCB) etc.

2. All other terms and conditions of the Scheme No. **TEC 04019:2023** for Designation of Domestic Conformity Assessment Bodies (CABs) and Certification Bodies (CBs) shall remain unchanged.

3. This is issued with the approval of competent authority.
