Clarification

Subject: Clarification regarding acceptance of TSEC/SAC based on tender specifications under MTCTE-reg.

With reference to the above cited subject, it is clarified that TSEC/SAC certificate issued by BSNL against its tender specifications is not acceptable under Mandatory Testing & Certification of Telecom Equipment (MTCTE).

2. However, the valid SAC/TSEC issued against respective Generic Requirement(GR) of TEC for the optical fibre / cable as communicated vide this office order ID No. 6-6/2021-TC/TEC(Pt. II) dated 02-06-2022 is acceptable. In such case, a provisional certificate may be issued against the product for a validity of two years or the SAC/TSEC certificate validity whichever is earlier.

This issues with the approval of Competent Authority.
