“Notice for inviting Nominations”

Dated 15-07-2021

Subject: Inviting nominations for Consultative committee (CC) regarding adoption of TSDSI transposed OneM2M Rel. 3 standard in to National Standard by TEC

Telecommunication Engineering Centre (TEC) is in the process of adoption of TSDSI transposed **OneM2M release 3 standards** into national standard. A **consultative committee (CC)** is to be formed under the chairmanship of DDG (IoT) and members from industry, academia, R&D organisations etc to discuss/deliberate on various aspect of the standards under consideration to safeguard the National interest as part of adoption process and subsequently declaring it as National Standards.

In view of the above, nominations are hereby invited from Telecom Service Providers, Manufacturers, experts from R&D, academia and other stakeholders to be part of the Consultative Committee to participate and contribute in the adoption process.

The nominations may kindly be sent to ddgsd.tec@gov.in with a copy to dirsd1.tec@gov.in , namrata.singh51@gov.in by **25-07-2021**

(Deepak Pathak)
