File No. 4-11/2024-MT/TEC   Date: 26th July, 2024

Subject: Inviting Nominations for the constitution of "National Working Group on Open RAN (NWG-ORAN)"

       Telecommunication Engineering Centre (TEC), Department of Telecommunications is a standards setting and testing & certification organisation for Telecom and related ICT products under the Department of Telecommunications, Ministry of Communications, Govt. of India. TEC has been involved in the development of standards for various telecom equipment and contributing to the standardization activities at Global standardization bodies viz. ITU, 3GPP, etc.

2. TEC proposes to constitute **"National Working Group on Open RAN (NWG-ORAN)"** to have a focused and coordinated approach for development of standards on Open RAN and contributing to International standardization bodies, taking into account country specific needs.

3. The NWG-Open RAN will comprise experts from the stakeholders viz. industry/startups, R&D organizations, academia, service providers, Govt. Organizations, MSMEs, etc. working in the area of Open RAN.

4. In this regard, willingness/nominations are invited from the domain experts from academia, industry/startups, R&D organizations, service providers, Govt. Organizations, etc. for becoming a member of NWG-ORAN. The nominations may kindly be sent by e-mail to adg-mt2.tec@gov.in; and dir6g.tec-dot@gov.in with the following details **latest by 12.08.2024:**

Sl. No.	Name	Designation	Organisation	Email Id.	Contact No.	Area of Work
